Briefly describe the qualifications you possess which you feel would be an asset to the Commission/Committee/ Group for which you are applying.

I have been on the commission for the past 2 years. Although I am not currently a Tuolumne County resident, I have lived in the County for approximately 30 years. I work with various organizations throughout Tuolumne County. I have job duties that may positively benefit the population served by First 5. These include Quality strategies and outcomes around those Managed Medi-Cal members who need immunizations, well-visits, and perinatal care.

List the community organization(s) and describe participation in which you have been involved.

I confirm that I have sufficient time to devote to this responsibility and plan to attend the required meetings if I am appointed to fill a vacancy. I understand that if I am appointed to a commission where a Disclosure of Assets Statement is required by State Law or Board Policy, I shall do so within ten (10) days of assuming office.

I hereby consent that this document is considered a public record and will be available to the public.
