Briefly describe the qualifications you possess which you feel would be an asset to the Commission/Committee/ Group for which you are applying.

I have worked for ATCAA for over 12 years as a manager and program director for their Head Start, Early Head Start, and California State Preschool Programs. I also hold BA and MA degrees in child development and have additional training in trauma informed practices, the Program for Infant Toddler Care and the Teaching Pyramid model to promote children's social and emotional development. In earlier years, I was a family child care provider for 17 years, and later oversaw a Family Child Care Home Educators Network as part of my work with The Resource Connection. My entire professional career has been centered in supporting the youngest members of our society and their caregivers and parents.

List the community organization(s) and describe participation in which you have been involved.

I am a member of the Tuolumne Resiliency Coalition. I have participated in the Tuolumne Child Abuse Prevention Council, and later the Tuolumne Resiliency Coalition for about 12 years and am currently the head of the Allocations Committee. I have also been actively involved in the Quality Counts program, Kids in Common group, and the Universal Pre-Kindergarten planning group affiliated with ICES in Tuolumne County. As ATCAA provides services in Amador and Tuolumne Counties, I am also the chair of the Amador Child Abuse Prevention Council and a member of the Amador County Child Care Council.

I confirm that I have sufficient time to devote to this responsibility and plan to attend the required meetings if I am
