SITE STIPEND REQUIREMENTS

STEP 1 Sites with a Family Engagement Focus:

Requirements: Demonstrate Family Engagement

The annual site stipend (\$250) can be used for training or materials to support family engagement through training or materials. Funds should be applied toward strengthening

capacity in evidence based or evidence informed strategies, such as the 5 Protective Factors, CSEFEL, HOVRS, Screening/Assessment tools, Trauma Informed Practice, Nurturing Parenting, etc.

STEP 2 Sites with a Family Engagement Focus:

The annual site stipend (\$750) can be used for training or materials to support one or more of the focus areas. In order to be considered for an individual professional growth stipend,

- The individual must work at a site that is participating in Quality Counts at the site level (no exceptions)
- An annual application must be filled out and approved;
- A meeting with a coach is required to complete an individual professional growth plan on iPinwheel; and
- The information on units, coaching, workshops and on-line training must be input on the iPinwheel data system for approval by a coach. Training will be provided.

Eligible and Non Eligible Activities:

Online training targeted to families with children birth to 5 and approved by your coach.
In-person trainings locally, on topics focusing on early childhood development, trauma informed services or trainings directly linked to your individual professional development plan.
Trainings away from the workplace, where travel is involved, will be eligible as follows: <ul style="list-style-type: none"> ■ If the individual is getting paid for attending, one hour of stipend credit/training day will be awarded for the extra effort. (For example, a two day training would earn 2 stipend hours). ■ If the individual is not getting paid for their time at the training, the hours for the training alone (not travel time) will be credited toward a stipend. (For example, a two day training with 6 hours on Day One and 4 hours on day 2 would earn 10 stipend hours).
Not eligible
Training that occurs during regular staff in-service days, staff meetings where staff are paid to attend, or similar occurrences where training occurs during regularly scheduled times at the workplace and staff are getting paid to attend.

Timeline. The annual timeline for earning a Quality Counts Teacher stipend is from June 1st 2017 to May 30th 2018. If a participant leaves employment as a family support worker during the year due to personal hardship circumstances, eligibility for receiving a stipend at year-end will be determined on a case-by-case basis. If a college course will be completed in June 2018, the Quality Counts program must be informed and the transcript must be posted as soon as possible.

Units: 3 units will earn \$500 if the units are directly linked to earning a permit or a degree in Early Childhood Development or closely related field, and a grade of C or better is earned. (The stipend will be \$150 for 1 unit and \$300 for 2 units.) Transcripts will need to be uploaded.

Professional Development: This year, professional development will be considered workshops, on-line courses, and/or approved coaching hours, in any combination. Any combination of these will earn \$50 for each 2 hours earned. (You must earn a minimum of 2 hours, and to increase your stipend, you must earn 2 more hours, and so on.)

Units, coaching, workshops, and web-based training can be combined to earn a stipend of up to \$750 total. We can only promise \$750/person for regular stipends earned in 18-19. (Teachers who participate and complete CSEFEL training and coaching or My Coaching Companion this year will receive additional information from their coaches regarding stipends.)

Regarding W-9s: A question has arisen about W-9s. If you receive \$600 or more in a stipend, the County of Tuolumne must report this as income to the Internal Revenue Service, using the information provided on your W-9. This occurs during a calendar year.

How to get started:

Program Directors and Individual Teachers and Instructional Assistants must complete the on-line application. A coach will contact you regarding next steps, including completion of a W-9 if needed.

If you have questions about the application process, contact:
