Tuolumne County Board of Supervisors
Sonora, California

Report on the Financial Statements

We have audited the accompanying financial statements of the First 5 Tuolumne County special revenue fund of the County of Tuolumne (County), as of and for the year ended June 30, 2018, and the related notes to the financial statements, as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the First 5 Tuolumne County special revenue fund of the County of Tuolumne, as of June 30, 2018, and the changes in financial position thereof and the budgetary comparison for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1, the financial statements present only the First 5 Tuolumne County special revenue fund and do not purport to, and do not, present fairly the financial position of the County as of June 30, 2018, the changes in its financial position and budgetary comparison for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis on pages 3 through 5 be presented to supplement the special revenue fund financial statements. Such information, although not a part of the special revenue fund financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the special revenue fund financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the special revenue fund financial statements, and other knowledge we obtained during our audit of the special revenue fund financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the First 5 Tuolumne County special revenue fund financial statements. The schedule of revenues, expenditures and change in fund balance of First 5 California Funds is presented for purposes of additional analysis and is not a required part of the special revenue fund financial statements.

The schedule of revenues, expenditures and change in fund balance of First 5 California Funds is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the special revenue fund financial statements. Such information has been subjected to the auditing procedures applied in the audit of the special revenue fund financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the special revenue fund financial statements or to the special revenue fund financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of revenues, expenditures and change in fund balance of First 5 California Funds is fairly stated, in all material respects, in relation to the special revenue fund financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated August 28, 2018, on our consideration of the County's internal control over financial reporting as it relates to the First 5 Tuolumne County special revenue fund and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the County's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control over financial reporting and compliance, as it relates to the First 5 Tuolumne County special revenue fund.

Sacramento, California
August 28, 2018

Management's Discussion and Analysis
For the Year Ended June 30, 2018

On November 3, 1998, California voters approved Proposition 10 – the Children and Families Act (Act). The Act imposed additional excise tax on cigarettes and tobacco related products to fund programs that promote, support, and improve the early development of children from prenatal through age five. The intent is for all California children to be healthy, to live in a healthy and supportive family environment, and to enter school ready to learn.

The Tuolumne County Board of Supervisors created First 5 Tuolumne County in 1998 under the provisions of the Act. First 5 Tuolumne County is administered by a commission of seven members (Commission) appointed by the Tuolumne County Board of Supervisors. Although First 5 Tuolumne County is an agency of the County, its Commission has independent decision-making authority. First 5 Tuolumne County allocates funds to community programs that provide services consistent with both the Act and with the Commission's approved Strategic Plan, primarily through the mechanism of grant-making. The result areas under which Proposition 10 funds are allocated include: (1) improved family functioning; (2) improved child development; (3) improved health; and (4) improved systems of care.

As management of First 5 Tuolumne County, we offer readers of our financial statements this narrative overview and analysis of First 5 Tuolumne County's financial activities for the fiscal year ended June 30, 2018.

Overview of the Financial Statements

First 5 Tuolumne County presents its financial statements under the reporting model required by the Governmental Accounting Standards Board Statement No. 34 (GASB 34), *Basic Financial Statements - and Management's Discussion and Analysis (MD&A) - for State and Local Governments*. First 5 Tuolumne County's financial statements comprise two components: (1) special revenue fund financial statements and (2) notes to the financial statements. In addition to the financial statements, this report includes supplementary information regarding programs supported with First 5 California funds.

Special Revenue Fund Financial Statements

First 5 Tuolumne County, like other local governments, uses fund accounting to ensure compliance with finance-related legal requirements.

- a) The *Balance Sheet – By Program* presents information on all of First 5 Tuolumne County's assets and liabilities, with the difference between the two reported as fund balance. This statement can be found on page 6 of this report. Following is a summary comparison of prior year to current year balance sheet:

	2018	2017	Change	
			Dollar	Percentage
Total Assets	\$1,000,626	\$ 997,297	\$ 3,329	0.3%
Total Liabilities	204,049	182,348	21,701	11.9%
Total Fund Balance	<u>\$ 796,577</u>	<u>\$ 814,949</u>	<u>\$ (18,372)</u>	-2.3%

- b) The *Statement of Revenues, Expenditures and Change in Fund Balance – By Program* presents information showing how First 5 Tuolumne County’s fund balance changed during the most recent fiscal year. This statement details revenues and expenditures by the following programs: (1) General, (2) Quality Counts, and (3) Small Population County Funding Augmentation. This statement details expenditures under the categories of administrative, program, or evaluation, as defined in the First 5 Financial Management Guide. This statement can be found on page 7 of this report.

Following is a summary comparison of prior year to current year statement of revenues, expenditures and change in fund balance:

	2018	2017	Change	
			Dollar	Percentage
Revenues:				
Intergovernmental:				
Federal:				
U.S Department of Health and Human Services via California Department of Education	\$ 10,849	\$ -	\$ 10,849	100.0%
State:				
Tobacco tax	270,863	291,506	(20,643)	-7.1%
First 5 California	293,862	282,064	11,798	4.2%
California Department of Education via Tuolumne County Superintendent of Schools	40,198	-	40,198	100.0%
Surplus Money Investment Fund	395	237	158	66.7%
Regional	5,587	25,267	(19,680)	-77.9%
Local	10,000	20,336	(10,336)	-50.8%
Interest	10,291	7,492	2,799	37.4%
Fees for services	-	5,420	(5,420)	-100.0%
Total revenues	<u>642,045</u>	<u>632,322</u>	<u>9,723</u>	1.5%
Expenditures:				
Administrative	81,107	44,645	36,462	81.7%
Program	571,431	544,333	27,098	5.0%
Evaluation	7,879	5,259	2,620	49.8%
Total expenditures	<u>660,417</u>	<u>594,237</u>	<u>66,180</u>	11.1%
Change in fund balance	(18,372)	38,085	(56,457)	-148.2%
Fund balance, beginning	<u>814,949</u>	<u>776,864</u>	<u>38,085</u>	4.9%
Fund balance, ending	<u><u>\$796,577</u></u>	<u><u>\$814,949</u></u>	<u><u>\$(18,372)</u></u>	-2.3%

The revenue and expenditure increases are recognized and reflected in the Commission’s long-term financial plan. The increases were primarily due to the increased budget for Quality Counts, with the addition of the California Department of Education and U.S. Health and Human Services Quality Rating Improvement System Block Grants this year.

First 5 Tuolumne County’s fund balance decreased by \$18,372 during the current fiscal year. This decrease was anticipated. The Commission wishes to continue to spend down its accumulated fund balance according to its long-term financial plan, and will check the financial assumptions for next year to ensure that this occurs. The long-term financial plan calls for using federal, state, regional, and local revenues plus the fund balance to sustain a level of programs and services at a level higher than could be supported by annual revenues alone. At June 30, 2018, fund balance includes nonspendable, committed and assigned funds.

- c) The Commission adopts an annual budget. A budgetary comparison statement has been provided for these funds to demonstrate compliance with the budget and can be found on page 8 of this report. The Commission's budgets are conservative, however, there are many variables affecting both actual revenues and expenditures during a fiscal year. The actual revenue and expenditure figures will be taken into account when the Commission revisits the long-term financial plan in December of 2018.

Notes to the Financial Statements

The notes provide additional information that is essential to the full understanding of the data provided in the fund financial statements. The notes to the financial statements can be found on pages 9 through 13 of this report, and include a summary of significant accounting policies, cash and investments, detailing of professional services, a certification that First 5 Tuolumne County funds were not used to supplant, and program evaluation costs.

Beyond Fiscal Year 2017-18

The Commission's 4-year strategic and financial plan, amended in April 2018, assumes an annual increase in expenditures, and relatively stable revenues, utilizing the available fund balance to make up the difference between the two. The Financial Plan forecast has been extended to fiscal year 2020-21. The plan assumes that the fund balance will be spent down to the annual revenue level at the end of the funding cycle, leaving only enough for cash flow and contingencies.

Requests for Information

This financial report is designed to provide a general overview of First 5 Tuolumne County's finances for all those interested. Questions concerning any of the information provided in this report, or requests for additional financial information should be addressed to First 5 Tuolumne County, Tuolumne County Superintendent of Schools Office, 175 Fairview Lane, Sonora, California 95370.

FIRST 5 TUOLUMNE COUNTY
SPECIAL REVENUE FUND
Notes to the Financial Statements
For the Year Ended June 30, 2018

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity

First 5 Tuolumne County was established by the Tuolumne County Board of Supervisors in 1998 under the provisions of the California Children and Families Act of 1998 (Act). First 5 Tuolumne County is an agency of the County of Tuolumne, California (County) as permitted under Section 130140.1(a) of the California Health and Safety Code. Accordingly, the First 5 Tuolumne County financial statements are included as a special revenue fund in the County's financial statements. The purpose of First 5 Tuolumne County is to develop, adopt, promote and implement early childhood development programs in the County consistent with the goals and objectives of the Act. The First 5 Tuolumne County programs are primarily funded by taxes levied by the State of California on tobacco products.

First 5 Tuolumne County is administered by a commission of seven members (Commission), which are appointed by the County Board of Supervisors. The membership consists of representatives from key social service, health and early child education agencies and organizations in the County, as well as parents of young children.

Pursuant to State Law, upon termination of First 5 Tuolumne County, any unencumbered or unexpended resources of First 5 Tuolumne County shall be returned to the State of California.

Measurement Focus, Basis of Accounting, and Financial Statement Presentation

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the County considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Revenues susceptible to accrual include intergovernmental, interest, and fees for services. Intergovernmental revenues are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met, provided the revenues are available. Expenditures generally are recorded when a liability is incurred.

FIRST 5 TUOLUMNE COUNTY
SPECIAL REVENUE FUND
Notes to the Financial Statements (Continued)
For the Year Ended June 30, 2018

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The balance sheet and statement of revenues, expenditures, and change in fund balance for this special revenue fund presents separate columns for initiatives funded by entities other than First 5 Tuolumne. The initiatives are: (1) the Quality Counts and (2) Small Population County Funding Augmentation. A description of the initiatives and programs follows:

Quality Counts – This initiative is part of a statewide initiative to support quality improvement in early education settings. It is funded, in Tuolumne County, by multiple funding sources including federal, state, and regional. Three grants are currently reflected in these financial statements under the Quality Counts Initiative.

- *IMPACT Program* – First 5 California provides IMPACT grant funds to First 5 Tuolumne County to support quality improvements in local early education and family support sites, through implementation of a Quality Rating Improvement System (QRIS). This funding supports a variety of approaches that are site specific and that align with a statewide QRIS matrix. First 5 Tuolumne County entered into a five-year agreement with First 5 California to implement IMPACT in Tuolumne County from fiscal year 2015-16 through fiscal year 2019-20. The program is operated through subcontracts to partner agencies and through Quality Improvement Plan agreements with IMPACT sites, in accordance with the local IMPACT plan approved by First 5 California.
- *California Department of Education (CDE) Preschool Program Quality Rating Improvement System Block Grant and U.S. Health and Human Services Infant/Toddler Quality Rating Improvement System Block Grant* – These annual grants align with the purpose and approach of the IMPACT funds, but are dedicated to specific early education sites. Together with IMPACT funds as well as other CDE funds coming to other providers in the County, these combined funds support the Quality Counts initiative for any licensed early education site in Tuolumne County. A local consortium determines how the different funds are utilized.

Small Population County Funding Augmentation – First 5 California augments local tobacco tax revenues for 20 eligible small counties under a four-year agreement, through fiscal year 2020-21. This augmentation is based on the recognition that the statutory funding formula for counties under the Children and Families Act did not provide adequate funds for low birth rate counties to operate effective First 5 programs. The funds are awarded consistent with an approved formula and payment schedule, upon receipt of required documentation and reporting. First 5 Tuolumne County allocates these funds to support specific programs, consistent with the Local Area Agreement with First 5 California.

The remaining amounts that are not related to the identified Quality Counts or Small Population County Funding Augmentation are presented in the column labeled General.

The accompanying financial statements present only the First 5 Tuolumne County special revenue fund of the County and do not purport to, and do not, present fairly the financial position of the County as of June 30, 2018, the changes in its financial position and budgetary comparison for the year then ended.

**FIRST 5 TUOLUMNE COUNTY
SPECIAL REVENUE FUND**
Notes to the Financial Statements (Continued)
For the Year Ended June 30, 2018

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fund Balance

Under Governmental Accounting Standards Board (GASB) Statement No. 54, fund balance shall be reported in one or more of the following five categories:

Nonspendable fund balance includes elements of fund balance that cannot be spent because of their form. For example, assets that will never convert to cash, such as prepaid expenditures.

Restricted fund balance includes resources that are subject to constraints that are externally enforceable legal restrictions that include:

- Funding from First 5 California or foundations that are legally restricted to specific uses. For example, funds advanced by First 5 California under specific agreements for services, or matching funds for specific initiatives.
- Funds legally restricted by county, state, or federal legislature, or a government's charter or constitution.

Tobacco tax allocations to county commissions are not automatically categorized as restricted. This is because the purposes for which tobacco tax allocations may legally be used are no narrower than the purpose for which the commissions were created in Proposition 10 enabling legislation.

Two criteria determine if fund balance is **committed** as follows:

- The use of funds is constrained by limits imposed by the government's highest level of decision-making authority, and
- Removal or modification of the use of funds can be accomplished only by formal action of the authority that established the constraints.

The highest level of decision-making is the First 5 Tuolumne County Commission. Although First 5 Tuolumne County is an agency of the County, its Commission has independent decision-making authority. Both commitments and modification or removal must occur prior to the end of the reporting period. Formal action of the Commission will be defined as an action taken at a publicly-noticed First 5 Tuolumne County Commission meeting. For First 5 organizations, resources in this category would include:

- Resources committed for a future initiative as long as Commission action is also required to remove this commitment,
- Resources that have been committed by the Commission for specific agreements that have not yet been executed (such as an Intent to Award Decision), where Commission action is also required to remove this commitment,
- Resources committed as the local match for a First 5 California initiative, and
- Funding that has been set aside for previously-executed legally-enforceable contracts, but not yet spent, including multi-year contracts, if such contracts have been approved by the Commission and if cancellation of such contracts would require Commission approval.

FIRST 5 TUOLUMNE COUNTY
SPECIAL REVENUE FUND
Notes to the Financial Statements (Continued)
For the Year Ended June 30, 2018

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Assigned fund balance reflects the Commission’s intended use of resources. Resources that fit into this category include:

- Appropriation of a portion of existing fund balance sufficient to eliminate a projected deficit in the subsequent year’s budget,
- Resources assigned to a specific program or project or organization for which the Commission has approved a plan or budget, and
- Resources approved by the Commission for a long-range financial plan where formal approval is not required to modify the amount.

For First 5 Tuolumne County, the Commission can assign amounts under this category, and the Commission has authorized the Executive Director to assign amounts under this category when that decision is consistent with the approved long-term financial plan.

Any resources that cannot be classified into any of the previous four categories are categorized as **unassigned**.

Due to the nature of First 5 Tuolumne County business, there is no foreseeable situation where an expenditure would be incurred for purposes for which amounts in more than one of the fund balance classifications could be used. All expenditures normally incurred by First 5 Tuolumne County can be clearly delineated into one of the fund balance classifications previously noted. If a situation arises where there is a possibility of assignment into more than one category, the committed amount will be reduced first, followed by assigned amounts and then unassigned amounts. The Executive Director, under the direction of the Commission, shall clearly identify the specific intended use of the fund balance at year-end under one of the categories, and will track the assignments accordingly.

The Commission has not adopted a policy that sets forth a minimum fund balance amount. However, the Commission’s adopted Long-Range Financial Plan states that funds shall be allocated so that the projected year-end fund balance is adequate to cover the following year’s planned expenditures, over the term of the four-year granting cycle.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Budget and Budgetary Reporting

By law, the Commission is required to prepare a budget each year based on estimates of revenues and expected expenditures. The Commission adopted an annual budget for the year ended June 30, 2018, which was prepared on the modified accrual basis of accounting consistent with accounting principles generally accepted in the United States of America. Budgetary control for the County is exercised at the department level and all appropriations lapse at year-end.

SPECIAL REVENUE FUND
Notes to the Financial Statements (Continued)
For the Year Ended June 30, 2018

NOTE 2 – CASH AND INVESTMENTS

All of the First 5 Tuolumne County cash and investments at June 30, 2018, were held in the County investment pool (pool), which is not rated by national credit rating agencies. The pool is maintained by the County Treasurer and includes resources of the County and other non-County entities for the purpose of increasing interest income through pooled investment activities. Interest is apportioned to First 5 Tuolumne County based on its average daily balances on deposit in the pool. The weighted average to maturity of the pool's investments is 297 days as of June 30, 2018.

First 5 Tuolumne County's portion of the pool is measured at fair value. However, investments in investment pools are not subject to the fair value hierarchy established by generally accepted accounting principles.

First 5 Tuolumne County's portion of the pool is \$624,463 as of June 30, 2018.

The value of participant shares in the pool, and the amount that can be withdrawn at any point, is determined on an amortized cost basis in daily operations, and is adjusted to fair value at year-end for financial reporting purposes.

Information regarding the individual investments within the County's pool, and their credit risk (including concentrations of credit risk and custodial credit risk) and interest-rate risk, can be found in the County's comprehensive annual financial report.

NOTE 3 – PROFESSIONAL SERVICES

The professional services expenditures balance for the year ended June 30, 2018, is detailed as follows:

Contracts for administration, program management, and evaluation	\$ 89,932
Accounting and auditing	11,400
County counsel	3,000
Auditor-controller	<u>117</u>
Total professional services	<u>\$ 104,449</u>

NOTE 4 – SUPPLANT CERTIFICATION

First 5 funds (all funds presented under the state intergovernmental category in these financial statements, as well as interest earned) have been used only to supplement existing levels of service and not to supplant state or local General Fund money for any purpose (Section 30131.4 of the Revenue and Taxation Code).

NOTE 5 – PROGRAM EVALUATION

First 5 Tuolumne County spent \$7,879 on program evaluation during the year ended June 30, 2018.

OTHER REPORTS

**Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance
and Other Matters Based on an Audit of Financial Statements Performed in Accordance with
*Government Auditing Standards***

Tuolumne County Board of Supervisors
Sonora, California

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the First 5 Tuolumne County special revenue fund of the County of Tuolumne (County), as of and for the year ended June 30, 2018, and the related notes to the financial statements, and have issued our report thereon dated August 28, 2018.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the County's internal control over financial reporting as it relates to the First 5 Tuolumne County special revenue fund (internal control), to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the First 5 Tuolumne County special revenue fund financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the First 5 Tuolumne County special revenue fund financial statements are free from material misstatement, we performed tests of the County's compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report on State Compliance

Tuolumne County Board of Supervisors
Sonora, California

We have audited the County of Tuolumne's compliance with the requirements specified in the State of California's *Standards and Procedures for Audits of Local Entities Administering the California Children and Families Act (First 5)*, issued by the State Controller's Office, applicable to the County's statutory requirements identified below for the year ended June 30, 2018.

Management's Responsibility

Compliance with the requirements referred to above is the responsibility of the County's management.

Auditor's Responsibility

Our responsibility is to express an opinion on the County's compliance with the requirements referred to above based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the State of California's *Standards and Procedures for Audits of Local Entities Administering the California Children and Families Act (First 5)*, issued by the State Controller's Office. Those standards and the State of California's *Standards and Procedures for Audits of Local Entities Administering the California Children and Families Act (First 5)* require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the compliance requirements referred to above that could have a material effect on the statutory requirements listed below occurred. An audit includes examining, on a test basis, evidence about the County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. However, our audit does not provide a legal determination of the County's compliance with those requirements.

In connection with the audit referred to above, we selected and tested transactions and records to determine the County's compliance with the state laws and regulations applicable to the following items:

<u>Description</u>	<u>Audit Guide Procedures</u>	<u>Procedures Performed</u>
Contracting and Procurement	6	Yes
Administrative Costs	3	Yes
Conflict of Interest	3	Yes
County Ordinance	4	Yes
Long-Range Financial Plans	2	Yes
Financial Condition of the Commission	1	Yes
Program Evaluation	3	Yes
Salaries and Benefits Policies	2	No*

* We did obtain the minutes to confirm that the First 5 Tuolumne County Commission has adopted salaries and benefits policies and procedures (one of the two Salaries and Benefit Policies procedures), however, we were not able to test a representative sample of salaries and benefits transactions (the other of the two Salaries and Benefits Policies procedures) because First 5 Tuolumne County does not have any salaries and benefits transactions as it does not have any employees.

Opinion

In our opinion, the County of Tuolumne complied, in all material respects, with the compliance requirements referred to above that are applicable to the California Children and Families Program for the year ended June 30, 2018.
