#### **Conflict of Interest Reminder for Commissioners and Alternates:**

Commissioners with a <u>direct financial interest</u> (for themselves or their family members) shall recuse themselves from the decision on the proposal.

Commissioners who wish to recuse themselves for reason <u>other than</u> a financial interest (such as a possible perception of personal or professional bias for or against a proposal), may recuse themselves from the decision. Commissioners are asked to carefully evaluate this if there might be any problem with a quorum.

It is the Commission's practice to ask individuals who are recusing themselves to leave the room while the proposal is being considered. If you recuse yourself, please remain available in the Health Dept. waiting room, so that you can be easily found to rejoin the meeting for subsequent agenda items.

Advisory Committee Members Participation. Advisory Committee members should avoid any perception of influencing the Commissioner's funding decisions affecting their own agencies. Although they may speak on any agenda item at any time, it is impossible to speak regarding one's own agency's First 5 funding without the public perception of bias, and they are encouraged to avoid doing so. Although it is appropriate to answer specific questions of the Commission regarding a proposal affecting their agency, it would be inappropriate to advocate for a proposal affecting their agency.

**Item 2.** Consider action to approve Minutes for April 7, 2021 (attachment #1)

Action requested: Approve Minutes for April 7, 2021 as presented
